

# Information session for Health Care Aide program

**Thursday, October 4, 2018**

**2-8 PM**

**Vegreville Centennial Library**

Alberta Health Services and NorQuest College will be there to answer all your questions.

**This program will prepare you to provide frontline care in a variety of different settings, including continuing care institutions, home care agencies, assisted or supportive living, day programs, specialized care centres, acute care hospitals, and private care.**

**Kick start your career now with this great opportunity!**

*Make Caring your Career*

Proudly supported by the Town of Vegreville

Contact Economic Development & Tourism Manager Christopher Robblee at 780-632-3891 with any questions
