

Lamont Town Council Appoints Chief Administrative Officer

- **November 16, 2018**

Council is pleased to announce that Ms. Christine Beveridge has been selected as the new Chief Administrative Officer (CAO) for the Town of Lamont. She will be assuming her new role and responsibilities on January 2, 2019.

This is the key leadership position within the Town Administration and we are fortunate to have attracted strong candidates from across Canada with the assistance of Mr. James Davies of DCG Executive Search Ltd.

With nearly 18 years of progressive municipal government experience, 12 of which were spent in and around Alberta's Capital Region, Ms. Beveridge is passionate about governance and her strength lies in legislative services, strategic planning, managing projects and working with high levels of government. While she started her municipal career in Planning and Development, her focus shifted when she was appointed as CAO with the Village of Clyde. She has been instrumental in assisting, mentoring and leading staff, senior leadership, and Council in training and policy development with the City of Fort Saskatchewan, Sturgeon County, and most recently with Parkland County. Through her dedication to on-going professional development and her Board involvement with the Local Government Administration Association (LGAA), Council is confident that with the addition of Ms. Beveridge to the existing team, the Town of Lamont is well positioned for the future.

Council wishes to thank Ms. Sandi Maschmeyer for her thirty plus year career with the Town including the past seven years serving as CAO. She will be retiring at the end of December and Council and Administration would like to invite you to join us for our open house to say thank you to Ms. Maschmeyer and hello to Ms. Beveridge on Wednesday, December 19th at the Town office.

Please join us in welcoming Ms. Beveridge.
