It's Time: Remove Your Curb Ramps

Please remove curb ramps and other driveway aids. These items can hide in the snow, causing damage to snow clearing equipment, costing thousands of unnecessary dollars. Help us save tax dollars and time this winter. Thank you for your cooperation.

Budget Survey Report

A Budget Survey campaign was conducted between July 17, 2020 to September 11, 2020. Residents, as well as business owners were encouraged to participate and share their feedback about priorities, service levels and funding. The data from the survey is now available in the 2021 Budget Survey "What We Heard" Report.

The report can be accessed on the website: www.lamont.ca/Finance.

Tax Installment Payment Plan - TIPP

The Tax Installment Payment Plan (TIPP) allows residents to sign up for a monthly, direct withdrawal of their property tax payments from their bank accounts.

This plan provides taxpayers the opportunity to pay their property taxes in monthly installments rather than the one large single payment that comes due once per year. The plan runs from January 1 - December 31, yearly. For the 2020 taxation year, your application must be received no later than February 15, 2021, provided that a pro-rated portion of your taxes are paid in advance.

Virtual Garden Party Presentation & Prizes

The summer (virtual) Garden Party was a great success! We want to thank everyone who participated and shared stories about their gardens, projects and plants.

Dozens of beautiful photos were submitted and we have created a short video featuring your favourite 2020 garden memories. The video is available on our Facebook page.

Participation prizes were randomly drawn and the following winners were presented gift certificates from local Lamont businesses; Linda/Herman Sieker, Dawn Campbell and Hawkins Mechanical.
