

Town of Lamont

COVID-19 Update

October 5, 2021

As of October 5, 2021 the following changes have been made to the COVID-19 restrictions:

- If you are unvaccinated, indoor social gatherings are not allowed.
- If you are vaccinated, you can have indoor social gatherings with one other household for a total of up to 10 people. All vaccine-eligible participants must be vaccinated. There are no restrictions on children under 12.
- Outdoor social gatherings are limited to 20 people with 2 metres physical distancing between households.

The Town Administration Building is now open by appointment only. Masks must be worn by any one who enters the building.

All Town departments remain operational and they are available to assist residents using alternate measures. Plexiglass barriers, enhanced cleaning and hand sanitizing stations will still remain in place at Town buildings.

Frequently washing or disinfecting your hands, getting vaccinated and staying home when you're sick will continue to be important to protect our community and limit the spread of COVID-19.
