- Ensure your backflow valves are functioning properly. For example: make sure all internal seats and springs are moving properly. Be sure to clean the flap seal from any build up or debris which could prevent a proper seal
- Ensure your weeping tile is properly taking the water to your sump pump
- Ensure that your sump pump is working
- Make sure all down spouts and extension pipes are clear of ice and are placed to drain away from the house

Tax Installment Payment Plan - TIPP

Last chance to sign up for the Tax Installment Payment Plan (TIPP). **Applications must be received no later than March 15, 2025**, provided that a pro-rated portion of your taxes are paid in advance.

The plan runs from January 1 - December 31, yearly. This allows residents to pay their property taxes in monthly installments rather than the one large single payment that comes due once per year. Monthly payments are directly withdrawn from residents bank accounts.

Any outstanding balance on your 2024 Property Taxes (or from transferred utilities or bylaw enforcements costs) must be paid in full prior to registering for the TIPP program.
